# 10-mark Question Answers — Equality: meaning, features, kinds and relationship with liberty

Introduction to Political Theory · Unit 2 · Chapter Equality: meaning, features, kinds and relationship with liberty

Assam University · BA FYUGP / NEP 2020 · Semester 1

## 10-mark Model Answer Framework

### Model question: Discuss Equality: meaning, features, kinds and relationship with liberty.

**Introduction:** Define the concept and explain why it matters in political theory or Indian government and politics.

**Main discussion:** Organise the answer under clear headings. Explain the meaning, context, features, types, institutions or arguments relevant to the question. Each point should include an explanation rather than a bare list.

**Examples and critical analysis:** Add relevant examples, constitutional provisions or political thinkers only where they directly support the argument. Consider limitations, counterarguments or implementation challenges.

**Conclusion:** Summarise the main argument and give a balanced judgement that answers the question.

### Additional examination practice

• Define substantive equality.

• List two forms of equality.

• Explain the relationship between liberty and equality.

### Answer-writing checklist

Definition and context · 3–5 organised points · relevant examples · critical assessment · direct conclusion.
