10-mark Question Answers — State: definition, evolution and relationship between state and civil society

Introduction to Political Theory · Unit 3 · Chapter State: definition, evolution and relationship between state and civil society

Assam University · BA FYUGP / NEP 2020 · Semester 1

10-mark Model Answer Framework

Model question: Discuss State: definition, evolution and relationship between state and civil society.

Introduction: Define the concept and explain why it matters in political theory or Indian government and politics.

Main discussion: Organise the answer under clear headings. Explain the meaning, context, features, types, institutions or arguments relevant to the question. Each point should include an explanation rather than a bare list.

Examples and critical analysis: Add relevant examples, constitutional provisions or political thinkers only where they directly support the argument. Consider limitations, counterarguments or implementation challenges.

Conclusion: Summarise the main argument and give a balanced judgement that answers the question.

Additional examination practice

• State two defining elements of the state.

• What is civil society?

• Explain one way civil society can hold the state accountable.

Answer-writing checklist

Definition and context · 3–5 organised points · relevant examples · critical assessment · direct conclusion.
