Assam University · BA FYUGP / NEP 2020 · Semester 1

10-mark Model Answer Framework

Model question: Discuss Democracy versus economic growth.

Introduction: Define the concept and explain why it matters in political theory or Indian government and politics.

Main discussion: Organise the answer under clear headings. Explain the meaning, context, features, types, institutions or arguments relevant to the question. Each point should include an explanation rather than a bare list.

Examples and critical analysis: Add relevant examples, constitutional provisions or political thinkers only where they directly support the argument. Consider limitations, counterarguments or implementation challenges.

Conclusion: Summarise the main argument and give a balanced judgement that answers the question.

Additional examination practice

• State one argument that democracy supports growth.

• Why should growth be distinguished from development?

• Discuss the debate between democracy and economic growth.
