10-mark Model Answer Framework

Model question: Discuss Meaning, nature, scope and relevance of Political Theory.

Introduction: Define the concept and explain why it matters in political theory or Indian government and politics.

Main discussion: Organise the answer under clear headings. Explain the meaning, context, features, types, institutions or arguments relevant to the question. Each point should include an explanation rather than a bare list.

Examples and critical analysis: Add relevant examples, constitutional provisions or political thinkers only where they directly support the argument. Consider limitations, counterarguments or implementation challenges.

Conclusion: Summarise the main argument and give a balanced judgement that answers the question.

Additional examination practice

• Define Political Theory and state two features.

• Explain the normative and analytical dimensions of Political Theory.

• Discuss the contemporary relevance of Political Theory.
